CERTIFICATE OF STRUCTURAL STABILITY ON
EXISTING STRUCTURE

Date: 25-06-2024

Address: Plot No. D-4, Faiz Road, Karol Bagh, New Delhi - 110005

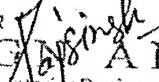

I, Raj Singh Mor, a qualified structural engineer, hereby certify that I have conducted a comprehensive structural assessment of Building. I have thoroughly reviewed the structural integrity of the building.

This is to certify that the building situated at Plot No. D-4, Faiz Road, Karol Bagh, New Delhi - 110005, currently utilized for educational purposes under the name of Chogule Public School, has been inspected on 25-06-2024. Based on appearance and site verification, the structure of the school building has been found to be stable and in satisfactory condition for the continued operation of the school. The building comprises 12 rooms on the ground floor, 12 rooms on the first floor, 9 rooms on the second floor, and 1 room on the third floor.

This certificate does not hold valid in cases of natural calamities. Any structural changes to the school building, including its foundation, should not be undertaken post-issuance of this certificate without approval from a structural engineer; otherwise, this certificate will become null and void.

The certificate is valid for a period of one year from the date of issuance, i.e., up to 25-06-2025. The building is required to be rechecked post this date. All procedural, legal, and operational matters will remain the responsibility of the client.

Signed
